ABOUT US

+1 Million units sold in 2025

70+ Years of Fabrication Expertise

While the Kingdom Solutions brand was established in 2020, our products have been hand-forged in Oregon, USA, since 1955. We unite a timeless craft with modern versatility to create the world's most reliable display solutions.

Our Difference is in Our Craft

PREMIUM MATERIALS
Nearly all raw materials are sourced domestically, guaranteeing a reliable supply and supporting local industry.

UNIQUE DESIGNS
From all-metal constructions to elegant metal-and-acrylic combinations, we offer market-leading solutions.

BUILT TO SCALE
Operating from our 1,300 sqm facility, we combine artisanal quality with the capacity for significant B2B needs.

More Than a Supplier. A Long-Term Partner.

For B2B clients locally and internationally, we are dedicated to showcasing your products with the quality and sophistication they deserve. Let's connect and elevate your display.
